2. ANTC in Animal Husbandry
3. ANTC in Fisheries
4. ANTC in Computer Craft studies
5. ANTC in Motor Vehicle Mechanic works
6. ANTC in Automobile Electrical works
7. ANTC in Electrical Installation & Maintenance works
8. ANTC in Fabrication and Welding
9. ANTC in Mechanical Engineering Craft practice
10. ANTC in Electronic Works
11. ANTC in Refrigeration & Air Conditioning Works
12. ANTC in Vehicle Body Building
13. ANTC in Light Vehicle Repair Works
14. ANTC in Instrument Mechanics Works
15. ANTC in Appliance Maintenance & Repairs (1. Electrical/Medical Appliance & Projectors Maintenance. 2. Domestic & Office Machines Maintenance)
16. ANTC in Foundry Craft practice
17. ANTC in Marine Engineering Craft
18. ANTC in Ship Building Craft practice
19. ANTC in Photographic Practice
20. ANTC in Block laying/Bricklaying Concreting
21. ANTC in Carpentry & Joinery
22. ANTC in Painting & Decorating

23. ANTC in Plumbing & Pipe Fitting
24. ANTC in Draughtmanship Craft practice
25. ANTC in Furniture making
26. ANTC in Machine Wood Working
27. ANTC in Catering Craft practice
28. ANTC in Cosmetology
29. ANTC in Leather Trades
30. ANTC in Textile Trade
31. ANTC in Graphic Arts
32. ANTC in Printing Craft practice
33. ANTC in Men's Garment making
34. ANTC in Ladies Garment making
35. ANTC in Ceramics & Design

F. General Education Subjects (Advanced Level)

G. SCHOOL OF ACADEMIC STUDIES

1. DIPLOMA in Website Design
2. DIPLOMA in Computer Engineering
3. DIPLOMA in Desktop Publishing
4. DIPLOMA in Computer Appreciation
5. DIPLOMA in NETWORKING
6. DIPLOMA in Satellite Installation
7. DIPLOMA in Introduction to Agricultural Science, Implements & Machines.
8. DIPLOMA in Tractor Components & Systems
9. DIPLOMA in Agricultural Equipment and Implement Mechanic Works
10. DIPLOMA in Animal Husbandry
11. DIPLOMA in Fisheries

Note: 1. MTC is Module Certificate for which you write Examination and receive a Certificate during the period of your scholarship. 2. Hotlines: 08107487318; 08026122256; 07055699310

NOTE:

The Examination to receive the above Certificate is Originated and approved by NABTEB

Below are NABTEB details of message:

Series of calls and messages have been coming in to us from some of our readers regarding the acceptance of NABTEB Certificates in Nigeria Universities and Polytechnics.

We are pleased to announce to you that the Federal Government has endorsed Certificates awarded by the National Business and Technical Examinations Board (NABTEB) for admission to Universities, Polytechnics and Colleges of Education.

No university and polytechnic in the country has the right to reject or discriminate against certificates issued by the National Business and Technical Examinations Board (NABTEB).

NABTEB ADVANCED LEVEL PROGRAMME

Welcome to NABTEB A'LEVEL Registration Portal, a world class examination body for educational advancement, assisting students to secure direct admission into 200 Level in various universities, Nigeria and Abroad.

The Institution was established to provide qualitative and reliable educational assessment, encouraging academic and moral excellence and promoting sustainable human resource development.

Hundreds of Thousands of students apply and sit for UTME yearly but only about 20% are successful in securing admission into Nigeria universities. Most of these candidates, who fail to secure admission, reapply in subsequent years thereby worsening the admission burden in Nigerian Universities. Even for those who come off successful with over 200 score in UTME, some of them end up not being able to secure admission. The worst dilemma is that they cannot use the result in the following year, as UTME result is only valid for one (1) year, as against the NABTEB A'LEVEL result which has no expiry date.

This is particularly why NABTEB Advanced Level programme is a better recommendation. Other Advanced level programmes, apart from NABTEB A'LEVEL include IJMBE, CAMBRIDGE, among others.

The NABTEB Advanced Level programme runs for a period of two semesters, after which a successful NABTEB A'LEVEL student graduates into 200 level in the University through direct entry. All courses are available for NABTEB A'LEVEL programme.

Candidates seeking admission into the NABTEB A'LEVEL programme must possess a minimum of 5 Credits in relevant o'level subjects from WAEC, NECO or NABTEB in not more than two sittings. Awaiting result can also apply for the NABTEB A'LEVEL programme.

Lectures on NABTEB A'LEVEL programme are guided by the approved NABTEB A'LEVEL syllabus and the contents of the NABTEB A'LEVEL syllabus cover University 100 level syllabus and above, which must be taught within a period of two semesters.

The entire NABTEB A'LEVEL examination process is moderated by the NABTEB A'LEVEL headquarters, Benin, together with JAMB-approved moderators at the approved NABTEB A'LEVEL accredited institutions.
